

New England College

The H. Raymond Danforth Society **Legacy Giving Program**

IMAGINE YOUR LEGACY. PLAN TODAY TO MAKE IT HAPPEN.

The H. Raymond Danforth Society was established in the Fall of 1999 to acknowledge and recognize those individuals who have provided for New England College through legacy giving.

H. Raymond Danforth (1958 – 1969), the fourth president of New England College, was steadfast in his determination to gather together the students, faculty, friends, and financial resources that would sustain his vision for New England College as an “international, innovative, student-oriented institution,” competitive with the finest private colleges in the Northeast.

That was no small dream, but it is one shared by alumni/ae and friends of New England College who have ensured our future through a bequest or other legacy gift. The College is grateful for the foresight and generosity of alumni and friends who have joined *The H. Raymond Danforth Society* by informing the college of their arrangements to include New England College in their estate plans. Common methods of legacy giving include:

- A gift through a will or living trust
- Charitable remainder trust
- Charitable lead trust
- Retirement account beneficiary
- Life insurance beneficiary

YOUR GIFT. YOUR IMPACT. YOUR LEGACY. JOIN US TODAY.

“NEC was and still is, an important part of my life. My time, experiences, and friends developed there, were a big part of shaping the person I am today. Supporting the school through the annual fund as well as through a portion of my estate is a way to show my gratitude and to help assure that NEC will continue to positively influence those associated with the school well into the future.”

JAMES NOYES '79

“As I become older, I reflect upon what is important in life. Obviously family, children, good health come to mind, and for me education. I am very grateful for the education I received at

New England College and for the support and encouragement I received. I have always supported their annual fund, through good years and bad, and now as I have time to truly reflect upon my life. I want to say “thank you” to the school that played a large part in making me who I am today. And therefore, I will remember New England College with a legacy gift.”
